<p>Interior Design Consultation</p> <p>We will meet in your home to discuss the initial design needs of your space. During this time, I will measure, take pictures and review any materials you have provided such as paint color or fabric swatches, inspiration photos from magazines, Pinterest, Houzz, etc.</p> <p>I will also give you “homework” to complete that consists of a worksheet where you will provide information about your space, who will be using it, what existing furniture or décor items you want to keep, etc. Most importantly, I want to spend time learning how you want your space to <i>feel</i>, which is an essential element in transforming a space.</p> <p><i>This includes a one-hour complimentary follow-up consultation and creation of one Mood Board.</i></p>	2.0	<p>\$150</p> <p>*FLAT FEE</p> <p><i>*This flat rate is for clients within Cincinnati and Hamilton County. If your residence is located within a surrounding county, a \$50.00 travel fee will be added to the initial design consultation rate. Also, should our meeting exceed the initial 2.0 hours, an additional \$50.00 per hour will be billed.</i></p>
<p>Design and Research Phase</p> <p>After your initial consultation and depending on the scope of your project, I will begin the Design and Research Phase, which strongly enhances the transformation for the space in your home. This service will include the following, depending on your project needs:</p> <ul style="list-style-type: none"> - Space Planning and Drafting - Furniture Specifications - Fabric Selections - Decorative Accents and Artwork - Paint Color Consultation - Window Treatment Recommendations 	--	<p>\$50</p> <p>PER HOUR</p>
<p>Shopping & Installation Services</p> <p>The task to find those perfect accents to make your space complete can sometimes be daunting or too time consuming. Don't have a designer's eye or just too busy to go out and shop? Don't worry, you can leave all the work to me and I'll find those key items to make your space unique. Prior to shopping, we will work together to determine the specific needs for your space and an investment range for the items that will be purchased. Once shopping is complete, I will come into your home to install the items and leave your space with a designer's touch that is polished and professional. <i>*Includes gas and mileage.</i></p> <p><i>Option 2: If you'd like for me to meet or accompany you at a retail location to help shop for items, that is billed at \$50 per hour.</i></p>	--	<p>\$75</p> <p>*PER HOUR</p>
<p>One-Day Decorating & Room Re-Design</p> <p>This solution provides an affordable option to have an interior designer's touch without having to break the bank by adding new pieces. Many times, there are hidden gems that include furniture and decorative accents that aren't being utilized. I will work with your existing items within your home to redesign your space and bring it to life with a new, fresh and inviting appeal. If your room still needs a few accessories to bring everything together, I will provide a shopping list of items that will make your space complete.</p>	--	<p>\$250</p> <p>PER SPACE</p>
